How to File a Claim

1. Call your insurance company.
2. File a claim for WIND and HAIL damage.
3. The date of loss (storm date) is _____
4. Write your claim # here: _____
5. Within 72 hours an adjuster will contact you to set an adjustment date.

Write the adjuster information here:

Name: _____

Phone Number: _____

Date and Time of adjustment: _____

6. Last and Most Important, be sure to call me with this information as soon as you receive it so that I can be prepared to meet your adjuster.

We work with all insurance companies and always make sure you receive maximum benefits. A hailstorm or windstorm is an "Act of Nature" and filing a claim will not increase your rates. Learn more at www.RoofingGiant.com/claims

Thank you and have a great day.
